** 100% NOP Pure and Natural, Organically certified oil.
Not adulterated, not diluted, from one single plant source**

Latin Name: *Lavendula angustifolia*

Extraction:

Steam distillation of flowering tops

Farming & Harvesting:

The Lavender farm is located within Bulgaria. This farm is maintained under strict, NOP 100% organic certification with plants being cultivated without any pesticides or herbicides. The water source is from a clean supply.

Oil Analysis and uses:

Our beautiful TRUE Lavender is rich in Linalyl Acetate, this natural aroma chemical is the main component found in true Lavender oil. Linalyl acetate is from the Ester family. Esters are usually floral or fruit notes, commonly perceived as having a pleasant odor. Lavender oil also has high amounts of Linalool in it. Linalool has proven to have a calming effect on the central nervous system in humans.

Oil Description & Odour Profile:

Lavender oil can be used as a top / middle note and has floral and fresh herbal notes.

Uses:

Studies show that Lavender oil can improve sleep in infants and the elderly and if used during sleep, your sleep can be prolonged and deeper.

Blends well with:

Grapefruit / geranium/ Cypress/ Lime/ Lemongrass/ vetiver

Safety Information:

Nontoxic. Generally considered safe but discontinue use if any allergies occur. Do not ingest.
